

## GOVERNOR (1985-1993 : BANGERTER) <sup>[446]</sup>

### FIRST LADY'S SUBJECT FILES, 1984-1989

1.5 cu. ft. and 4 microfilm reels

**DESCRIPTION:** These subject files were created by the governor's wife, Colleen Bangerter, and her administrative assistant, Judy Schiffman, as they worked out of their office in the Governor's mansion. As the Governor's wife, Colleen Bangerter was a sought-after speaker and board member. She was responsible for many of the social aspects of the administration. She also was active in community projects and sometimes served on gubernatorial task forces. This series documents her involvement as well as that of her staff and affiliated groups. The records include background files, conference programs, and reports, along with some correspondence and speeches given by Mrs. Bangerter.

Mrs. Bangerter was an active member of several groups devoted to fighting substance abuse, particularly among youth. Children's issues are common topics, including child abuse, education, and teen suicide. Families were a prominent focus, and Mrs. Bangerter was actively involved in organizing an annual series of conferences on strengthening families. She also participated in a number of activities for senior citizens and stressed volunteerism for all ages.

Mrs. Bangerter was involved politically, attending the National Governors Association and Western Governor's Association meetings. She was active in the Western Governors Association spouses group and several local Republican women's groups. She hosted tours for legislative wives and participated in promotional tours with her husband. She served as a spokesman or honorary member of numerous organizations. Some of the records of the Governor's Mansion Foundation which helps fund upkeep and entertainment at the Governor's residence appear here; Mrs. Bangerter was President of the Board of Trustees for that organization. All these activities are noted in this series.

**ARRANGEMENT:** The series is arranged alphabetically by topic, thereunder
